CB1		A photograph showing several children playing in a large, ornate fountain. Water is spraying upwards from multiple points, and the children are running and jumping in the water. The background shows a building and trees.
CB2		A close-up photograph of two small, green and yellow birds perched on a metal bird feeder. The feeder is hanging from a tree, and the background is a soft-focus view of green foliage.
CB3		A photograph of a dense forest of trees with autumn foliage in shades of yellow, orange, and green. The trees are reflected in a calm body of water in the foreground, creating a symmetrical effect.
